ABOUT

The T-2000 Slimpact® is designed for work that requires cut and impact protection but also demands a glove with superior comfort and feel. The Tomahawk Slimpact® technology provides the highest levels of protection while allowing workers to complete jobs that require fine motor skills. The T2000 is ideal for jobs in manufacturing, maintenance and repair, oil and gas service, construction and while performing work where fluids are prevalent.

FEATURES

- ✓ ASTM ANSI Cut 4 protection
- ✓ Mineral-based knit shell for softness and dexterity
- ✓ Patented *Slimpact*® Impact design
- ✓ *Ultra Fusion*® hybrid dip
- ✓ *Hi-Vis*

BENEFITS

- ✓ Patented *Slimpact*® design that provides protection while performing detailed work
- ✓ Mineral-based knit shell provides softer feel
